As part of their inaugural season, the Gwinnett Braves are hosting “Buford Night with The Gwinnett Braves” at Gwinnett Stadium on August 22nd. As part of this, the Buford Community Girls Chorus will be performing the National Anthem. In addition, members of the Buford Business Alliance will be able to take advantage of a variety of special offers that are exclusive to BBA members. These include reduced ticket prices, special suite rental rates, and table space in the main plaza to distribute coupons or other flyers.

However, Buford-area residents who are not BBA members are still encouraged to attend and show their support for Buford and the Braves, as the Braves have other events planned for the evening. In addition to all the Buford Night activities, the American Legion of Duluth will be there collecting goods for the troops. Requested supplies include SPF lotion, baby wipes, waterless hand cleanser, travel packs of Kleenex, envelopes and cards, pens and paper, phone cards, trail mix, and nuts. The game will also feature an appearance by "one of the newest entertainment acts in baseball," The Spitball Gang. It's sure to be a blast for sports fans of all ages.

For more info: “Buford Night” is on August 22nd, at 7pm. To learn more about the BBA discounts and offers, contact Samantha Dunn, Corporate Sales Manager at Samantha.dunn@braves.com or 678-277-0322
